

Proposed amendments to the Rocky River Democratic Club Bylaws

1. Add clarification wording about family membership and residency requirement- does only one family member have to be a resident? PO boxes allowed? Is it evaluated once per year or is a person's membership revoked immediately if they move out of town?
2. Officers leave of absence requirement for candidates- should include officers running for precinct captain if their race is contested. After all, they will be on the ballot just like any other candidate for office, so to maintain no conflict of interest, they should also take a leave of absence.
3. Duties of secretary to take minutes should be eliminated- president is the only person taking notes now and that should remain flexible, so maybe reword to eliminate 'shall'.
4. How would voting be done on resolutions that come up at a meeting? People would have to be prescreened as to whether or not their dues are current at that moment. To enforce you would have to do things in advance of a "show of hands" vote. Membership badges with an expiration date? I guess you could require people to wear their badges for their vote to count.
5. Disbursements over a certain dollar amount should be approved by all membership, such as \$500 or more.
